Data extracted on 15/06/2017 and is subject to change

Please note: Data Analysis (DA) allows a 3 month lag for extracting and providing offence data. This allows for completeness of data and time for the offence notice to be forwarded from Queensland Police Service (QPS) to Transport and Main Roads (TMR) for entering into the system. The 3 month lag includes the 28 day period for the alleged offender to pay or respond to the offence notice. Some offence categories will still be understated due to the prolonged time it takes for these matters to be finalised (e.g. Drink Driving offences).
