## Notes

1. Data is based on the year the item was reported Lost, Stolen or Recovered.
2. These data are preliminary and may be subject to change.
3. The Statistics provided do not represent a unique item count, as any single item may have been reported Stolen and /or Lost within the reference period therefor will be counted in both the lost and stolen.
4. The figures for recovered items represent a total number of items recovered within the period, regardless of when they were reported.
