Precis: Information from John GOULD of 4 JACARANDA DRIVE, TORQUAY:

Incident at .BEACH TORQUAY;

Cli - 002252-10042017

Informant and his wife have been on the beach between the Torquay Surf Club and the Torquay Jetty. When the beach has given under them and a sink hole has opened.

Person/Property in Immediate Danger - large sink hole on the beach (about 2.5 metres square). The informant and wife dropped into the sink hole. This is off the Esplanade, between the Torquay Surf Club and the pier.

OUTCOME: Informant and his wife had been walking in an area that is under construction and should not have been walking. The area is fenced off and there is machinery in the area. The tide is now in and the hole has been covered. The hole

1926hrs Wallace.Leanne - FCRC advised will send an officer to check area.
