Observations: aggressive, threatening, violent, affected by alcohol and drugs, armed with 12 inch kitchen knife.

Describe whether the subject was armed with a weapon or had immediate access to a weapon/s:  
Subject held knife in her right hand

Describe the weapon/s:

.

Describe the behaviour of the subject with the weapons:  
Held by her side, verbally threatening and abusive.

Approximate size of the area/street/room:  
Front garden of dwelling, 4m x 4m.

Observable entry/exit points:  
only exit was behind the subject

Observable obstacles:  
Police cornered by subject, fence, and neighbouring house.

Lighting conditions:  
Unlit garden with nearby streetlights.

Describe how the situation escalated to the use/deployment of a TASER:  
Officers had Sch4p4(6), which aggravated the subject, who began to verbally threatened officers, and encroach upon police officer's personal space.

Describe the (Use of Force) Tactical options used by police prior to the use/deployment of a TASER, e.g. communications/withdrawal etc:  
Communication, presence, open hand tactics.

Include what was said by police in managing the situation including any warnings given and the outcome of those actions:  
Go away; do not mind you filming, but do it from a reasonable distance; warning "drop the knife" was given three times.

Describe why the TASER was used/deployed:  
Firearm was considered, however, 6 - 8 people were Sch3(10)(1)(f) of the subject; subject was approaching police against warnings, and refusing to drop the knife; the Sch3(10)(1)(f) advancing on police; the deploying officer decided to use taser instead of firearm.

Clearly describe the actions of the officer in withdrawing/presenting/deploying the TASER:  
Officer withdraw the taser, pointed it at subject, armed the taser, instructed the subject clearly on at least 3 occasions to drop the knife. Subject did not comply, officer deployed the taser.

Describe what occurred after the officer withdrew/presented/deployed the TASER:  
One probe stuck in clothing, one probe missed; however, it appears the noise of the taser shocked the subject, turning away and re-entering the house, at which time she put the knife on a window ledge, and was grabbed by officers and Sch4p

Did the TASER probes strike a sensitive area of the subject's body, such as the neck, face, groin or breast area? If yes, describe the location where the probes struck:

No

Was PCC advised? Yes

 Remarks: Sunshine Coast District Significant Event Review Panel  
 Overview – Finalised

Narrative:  
 This incident was reviewed by the Sunshine Coast District Professional Practices Manager (SCD PPM) on

Monday 23 April 2018. The purpose of over viewing matters of this nature by SCDOG the SCD PPM is to ascertain whether further inquiries are required and to determine if QPS policies and procedures have been complied with. The details of this use of force incident (Sch4p4(6) TASER Deployment) were reviewed by the SCD PPM with specific reference to compliance with Section 14.3 of the Operational Procedures Manual 'Use of Force'.

However the review by the SCD PPM considered the provisions of Section 1.17 of the Operational Procedures Manual 'Significant Event review Panels' as to whether this matter would be one that needs to be overviewed by the Sunshine Coast District Significant Event Review Panel. As a result of that review it was determined by the SCD PPM that this matter is one that should be reviewed by the Operations Support Command Significant Event Review Panel and not the Sunshine Coast District Significant Event Review Panel in accordance with Section 1.17.5 of the Operational Procedures Manual 'Jurisdiction of Significant Event Review Panels' (See below).

Therefore it was determined that no further action was required by Sunshine Coast District pending any adverse findings of the Operations Support Command Significant Event Review Panel.

#### 1.17.5 Jurisdiction of Significant Event Review Panels

##### POLICY

Significant event review matters are to be reviewed by the SERP of the district or command to which the officers involved in the significant event review matter are attached, or 'centrally functioned' to.

Where a significant event review matter involves members of more than one district, command or division, the SERP of the district in which the event occurred should complete the review.

Where a significant event review matter involves members from other districts, commands or divisions, the chair of the SERP conducting the review is to consult with the commissioned officer responsible for the member to obtain the necessary information for the SERP deliberations.

#### Significant event review matters involving police dogs are to be reviewed by the Operations Support Command SERP.

 Narrative:

The victim's injuries are: Bruising to left side of face. The following emergency services attended the scene: None. Medical treatment: Not Sought by Victim. At nominated date and time, Police were conducting Patrols of Sch4p4(6). As Police were passing number Sch4p4(6) Police observed the offender and another male to be fighting in the front yard. The males were swearing at each other and throwing punches at each other. Police stopped and activated their emergency lights. The offender started to move away from the address, whilst verbally abusing Police yelling 'fucking dogs' and 'fuck you'. Another male said to Police that he Sch4p4(6) walked over towards the offender and three males began to fight on the side of the road. Police immediately approached the three males. Police ordered all three males to get down on the ground, which all three males refused. The offender has then violently lashed out at Police, striking Constable JORDAN to the left side of his face with a clenched right fist. Constable JORDAN has felt immediate pain. Offender has repeatedly tried to strike Constable JORDAN, where Constable JORDAN has presented a taser. Despite repeated warnings, the offender has continued to violently resist and ignore police commands. The offender has repeatedly said 'fuck you dogs' and ignored Police. Constable JORDAN has deployed the taser where the offender has fallen to the ground and rolled around. Dislodging one taser probe. The offender has then got up and started to violently assault Constable JORDAN again. Constable JORDAN has then deployed Capsicum Spray. The offender did not appear affected by this spray. Constable JORDAN has reloaded his taser and commanded that the offender get down on the ground. The offender has complied at which point the offender has been handcuffed and taken into Custody.

At nominated date and time, Police were conducting Patrols of Sch4p4(6). As Police were passing number Sch4p4(6), Police observed the offender and another male to be fighting in the front yard. The males were swearing at each other and throwing punches at each other. Police stopped and activated their emergency lights. The offender started to move away from the address, whilst verbally abusing Police yelling 'fucking dogs' and 'fuck you'. Another male said to Police that he Sch4p4(6) and walked over towards the offender and three males began to fight on the side of the road. Police immediately approached the three males. Police ordered all three males to get down on the ground, which all three males refused. The offender has then violently lashed out at Police, striking Constable JORDAN to the left side of his face with a clenched right fist. Constable JORDAN has felt immediate pain. Offender has repeatedly tried to strike Constable JORDAN, where Constable JORDAN has presented a taser. Despite repeated warnings, the offender has continued to violently resist and ignore police commands. The offender has repeatedly said 'fuck you dogs' and ignored Police. Constable JORDAN has deployed the taser where the offender has fallen to the ground and rolled around. Dislodging one taser probe. The offender has then got up and started to violently assault Constable JORDAN again. Constable JORDAN has then deployed Capsicum Spray. The offender did not appear affected by this spray. Constable JORDAN has reloaded his taser and commanded that the offender get down on the ground. The offender has complied at which point the offender has been handcuffed and taken into Custody.

At nominated time offender has entered the Sch4p4(6) t. He has approached a service window and asked victim Sch4p4(6) refused and attempted to shut the window. Sch4p4(6)

[REDACTED] has called out for help. Other members have attempted to shut the window but the offender has climbed through the window entered the rear kitchen area inside the premises. Offender has begun running around and smashing items. He has taken hold of Victim Sch4p4(6) causing Sc pain Sch4p4(6) Offender has run around towards the freezer areas at the rear of the premises. He has entered a freezer and then emerged again. He has run at Victim Sch4p4(6) attempting to choke him. Sch4p4(6) has broken free of his grip and the offender has then re-entered the freezer where staff have shut the door, trapping him inside until police arrival a short time later. Police have arrived and located offender shut inside the freezer with staff members holding the door shut. Police have told the offender to back away from the door. The offender has begun charging the door from inside, attempting to force it from its hinges. Officer PERKINS has warned the offender that if he didn't desist he would be sprayed. The offender has placed his fingers through the door of the freezer and began to prize it open. Officer PERKINS has S.73 Offender has returned again and prized the door open. S.73

S.73 [redacted] Due to the strength of the offender, caused by Sch4p4(6) he has managed to open the freezer door while three adults have been attempting to hold it shut. Fearing imminent GBH to the officers Officer MUKAVEC has produced a Taser and warned the offender. The offender has broken free of the freezer and charged at police. Officer MUKAVEC has deployed her Taser. Due to the close proximity only one barb has entered the offender's right shoulder blade area and the second barb has made no contact with the offender, therefore being ineffective. Police have physically attempted to restrain the offender on the ground whilst calling for backup. Offender was eventually physically restrained with handcuffs and held down by three officers until the arrival of QAS. The offender continued to display extra ordinary strength, lifting officers off the ground while still restrained for approximately a ten minute period. Offender was Sch4p4(6) [redacted]

Narrative:  
 MO

At approximately 3pm on the 6th of August, 2018 Police from Sch Station were performing mobile patrols along Sch4p4(6) when they have observed the offender appear between some hedges out the front of Sch4p4(6) before immediately turning around and proceeding through the right side fence of the property into the rear yard of Sch4p4(6) As officers were aware that the offender was Sch4p4(6) Police have stopped at the front Sch4p4(6) Street with additional (6)

officers positioning themselves on Sch4p4(6) directly behind the property. As officers began to search the yard of Sch4p4(6) the offender has appeared on Sch4p4(6) a short distance away from officers. When the offender has observed Police the offender has decamped on foot across the road and into the rear yard of Sch4p4 by jumping the side fence that separates the front yard from the rear yard of the property. Police have proceeded after the offender on foot issuing numerous verbal instructions to the offender to "stop" and to "get on the ground" to which the offender has ignored. When officers have become close to the offender to effect the arrest the offender has slightly turned towards officers whilst continuing to run and presented officers with clenched fists indicating to pursuing officers that the offender would assault Police if they were to effect the arrest. The offender has proceeded to run to the rear of the property before jumping the side fence into the rear yard of Sch4p4(6). At this time and due to the visual violent indicators presented by the offender Police have issued numerous warnings to the offender to stop or he would be tasered. Upon clearing the fence the offender has once again presented officers with closed fists as he continued to run away from Police. Police have deployed the taser with the probes striking the offender in the left hip and middle of the back causing immediate muscle lock resulting in the offender falling to the ground. Police have once again issued more verbal instructions to the offender to "Stay on the ground" to which the offender has again ignored with the offender getting to his feet before officers once again cycling the taser resulting in the offender pulling the probes free from his body rendering the taser ineffective. Once clear of the taser probes the offender has once again entered the rear yard of Sch4p4 and proceeded over the left side fence back into the front yard. The offender has repeated his original route and returned to the rear yard of Sch4p4(6) before continuing on foot into the side yard of Sch4p4 where Police have once again attempted to effect the arrest of the offender. The offender has continued to struggle with Police who were only able to apply one handcuff before the offender has regained his feet and attempted to once again flee from Police. During the entire time of this interaction with the offender officer have issued numerous verbal instructions to the offender such as "Stop resisting" & "Stay on the ground" to which the offender has ignored. A short time later additional officers have attended the location and Police were able to restrain the offender with the use of handcuff and affect the arrest.

#### ARREST / TASER DEPOLYMENT

At about 3:00pm on the 06/12/18, Police from Inala Station were performing mobile patrols along Sch4p4(6) when they have observed the offender appear between some hedges out the front of Sch4p4(6) before immediately turning around and proceeding through the right side fence of the property into the rear yard of Sch4p4(6)

Police officers were aware that the offender Sch4p4(6)

Police were a single crew (two officers) at the time and have stopped at the intersection of Sch4p4(6) performed a U-turn and one officer (arresting officer CRAMP) exited the police van to take up a position on foot in Sch4p4(6) Sch4 in case the offender decamped over the rear fence of Sch4p4(6) Assisting officer HEANEY drove the police van to the front of Sch4p4(6) and performed a search of the yard for the offender.

It was at this time CRAMP observed the offender appear from a yard on Sch4p4(6) When the offender has observed CRAMP, the offender has decamped on foot across the road and into the rear yard of Sch4p4(6) by jumping the side fence that separates the front yard from the rear yard of the property. CRAMP has proceeded after the offender on foot issuing numerous verbal instructions to the offender to "stop" and to "get on the ground" to which the offender has ignored.

When CRAMP became close to the offender to effect the arrest the offender has slightly turned towards CRAMP whilst continuing to run and presented CRAMP with clenched fists indicating to CRAMP that the offender would assault him if he were to effect the arrest. As a result, CRAMP conducted a risk assessment being that he was at risk of serious injury if the offender were to assault him. CRAMP has subsequently deployed the taser from the holster and issued several warnings to the offender prior to firing the taser.

The offender has proceeded to run to the rear of the property before jumping the side fence into the rear yard of Sch4p4(6) At this time and due to the visual violent indicators presented by the offender and CRAMP issuing numerous warnings to the offender to stop or he would be tasered, the offender continued to run and ignore all warnings.

Upon clearing the fence the offender has once again presented CRAMP with closed fists as he continued to run away. CRAMP has fired the taser with the probes striking the offender in the left hip and middle of the back causing immediate muscle lock resulting in the offender falling to the ground. Due to CRAMP being a single officer at the time, CRAMP was unable to move in and restrain the offender as Police aren't trained to move in and restrain offenders as single officers.

CRAMP once again issued more verbal instructions to the offender to "Get on the ground, don't move" to which the offender has again ignored with the offender getting to his feet before CRAMP once again cycling the taser causing immediate muscle lock to the offender. CRAMP again told the offender "Don't Move, get on the ground", however the offender got to his feet again pulling the probes free from his body rendering the taser ineffective. CRAMP then reloaded the taser and holstered it as the taser was not an effective UOF option in this situation. The offender continued to decamp on foot, CRAMP continued to chase the offender, providing sitreps to comms of the street direction the offender was travelling towards.

The offender continued to decamp on foot and has once again entered the rear yard of [redacted] and proceeded over the left side fence back into the front yard. The offender has repeated his original route and returned to the rear yard of [redacted] before continuing on foot into the side yard of [redacted] where CRAMP has once again attempted to effect the arrest of the offender using open hand tactics. CRAMP has then tackled the offender into a corner of a fence and garden shed where the offender has continued to resist arrest.

The offender has continued to struggle with CRAMP who was only able to apply one handcuff before the offender has regained his feet and attempted to once again flee from Police. The offender has turned and faced CRAMP several times with clenched fists, it appeared the offender was going to assault CRAMP on a number of occasions. During the entire time of this interaction with the offender, CRAMP has issued numerous verbal instructions to the offender such as "Stop resisting" & "Stay on the ground" to which the offender has ignored.

The witness in the matter as observed the altercation between CRAMP and the offender in the side of her yard. The witness has attempted to assist CRAMP apprehending the offender. A short time later HEANEY has attended the location and both CRAMP and HEANEY were able to restrain the offender with the use of handcuff and affect the arrest.

#### OFFICER INJURIES

CRAMP suffered minor knee swelling to his right knee and abrasions on his left shin and right hand. Injury notification created.

 Upon Police alighting (40) on the Police vehicle a clear Police command was given of "Stop Police, You're under arrest" to the offender, to which the subject did not comply and started running

Narrative:  
 MO

The subject in this matter is Sch4p4(6)

At around 1948 hours on the 31/12/2018 police observed the subject walking along Wembley Road from the carpark of the subway located at the intersection of Wembley Road and Ewing Road, Logan Central. Police identified the subject as wanted in relation to an outstanding bail breach and another matter. Police alighted from the police vehicle and gave the subject a clear verbal direction to stop and that he was under arrest. The subject failed to comply with these directions and began to run from police. Police gave chase across Wembley Road onto the Wembley Road Service Road. Police continued to give the subject clear verbal directions and the subject continued to fail to comply. The subject turned and faced police and continued to behave in an aggressive manner, taking steps towards police. Police gave a clear verbal direction to get on the ground or he would be tasered. The subject failed to comply and fearing serious

injury police deployed the service issue taser at the subject. The deployment was successful and the subject transferred to the ground under power. Police continued to give verbal directions to the subject to not move and to stay on the ground which the subject now complied with. Further police attended and the subject was handcuffed and advised of the name rank and station of police and the offence that he was under arrest for.
