 Narrative:

The crash location is Sibey road, a bitument road in good conditon, this road runs past a busy train station.

At the time of the crash the roadway was dry and traffic was light,

Unit2 was traveling NE on Sibley Road past Linduim trains station car park, which was on his left hand side.

As he past the Exit/entry to the car park an unknown vehicle has come out of the car park colliding with the rear left side of unit 2 causing minor damage, unit 1 has then conducted a right had turn and driven away from the location without attempting to stop, unit 2 driver was unable to obtain a rego/ or even a type of vehicle, he stated it could have been a ute but was unsure.

A request has been put into to MAYNE control for footage of the carpark at the time of this incident in an attempt to locate a rego of unit 1

Footage has been received from QR

Upon viewing footage, the vehicle (unit1) is identified as a Sch4p4(6)

Footage of the vehicle is loaded on evidence .com, this has both CCTV and stills of unit 1 and the driver of unit 1.

Upon viewing footage, the vehicle is observed parking in the car park earlier in the day, then at the occ time the driver returns to unit 1 and drives out of the carpark, failing to give way and crashing into unit 2 as unit 2 drives past, a witness is seen to observe the crash.

Unit 1 makes no attempt to exchange details and instead drives off in the opposite

direction.

Sch4p4(6)

Possible offences, Due care, Fail to remain and exchange details, fail to give way

Photos of the damage to unit 2 has been uploaded to the occ
