## Narrative:

On 15/12/2022, Forensic Officer 4022077 CHURCHLEY - CAL BR SBA SOC conducted a forensic examination at READY TOWING, 33 DUNN RD, ROCKLEA. Forensic Register Number [FR2175918](#) refers.

A Silver 2005 BMW 318i Sedan CTPI was examined.

Attended Ready Towing and TUW no-one. Commenced examination of a grey BMW 318i sedan, CTPI. This vehicle has been involved in a traffic accident in Granard Road, Rocklea on 14/12/2022. CTPI

OBSERVATIONS - Observed vehicle to have significant damage. This damage was most extensive on the front driver's side panel and driver's door. There were also indentations and scrapes extending upon the rear driver's side door and rear panel. The driver's side indicator was partially detached. The bonnet was severely bent and unable to be opened. No registration plates were fitted to the vehicle. The front bumper was damaged and also detached from the vehicle. A VIN number was able to be seen underneath the damaged bonnet and CTPI. The front driver's side air bag curtain had been activated as well as an airbag in the front driver's side door. An airbag in the rear driver's side door had also been activated. A manual for the vehicle was upon the front passenger seat. Servicing documentation was inside the manual. This included a service performed at CTPI Mechanical on 11/8/2021 in the name of CTPI and a service performed at CTPI Automotive Services, CTPI on 17/9/2021 in the name of CTPI. A Wiltshire kitchen knife within a sharpening sheath was in the glovebox. A pair of sunglasses was beside the front passenger side seat.

EXAMINATIONS - General photographs were taken of the exterior and interior of the vehicle including the damage sustained. No further examinations were performed.

A fingerprint examination or DNA examination was not performed as the vehicle is not listed as stolen and a driver of the vehicle identified for traffic offences only.

CHECK WITH THE INVESTIGATOR AS TO WHETHER A MECHANICAL INSPECTION IS REQUIRED PRIOR TO THE VEHICLE BEING RELEASED
