 U1 driver - CTPI  
 U2 - 1998 Ford Falcon CTPI  
 Incident location - CTPI

At approx 7:15pm on the 23rd day of September 2023, a 2 vehicle traffic crash has occurred on CTPI

CTPI with U2 being a parked vehicle.

Police were detailed to attend due to U1 suspected of being intoxicated and decamping from the location.

CTPI is a 1 lane each way road with a speed limit of 50km/h. It is not governed by any traffic control. The street has a gentle curve and shallow rising hill. Road conditions were dry and sealed. Due to time of the night, the incident location was lit by street lights.

Incident -

At approx 7:15pm, U1 has been proceeding east on CTPI Mount Pleasant. U1 has crossed over into the westbound lanes and has had a head on collision with U2, which was parked out the front of CT, Mount Pleasant.

U1 has pushed U2 approximately 10 metres east, turning the vehicle sideways.

U1 driver has then decamped from the location and was located approximately 200 metres further east on CTPI.

U1 driver was observed to be highly intoxicated, and was transported to MBH for bloods.

QFES attended and rendered both vehicles safe.

Police observations:

U1 front bumper bar resting against U2 right hand side. Extensive panel damage observed on U1 front end, and right hand side. Extensive panel damage observed to U2 front right hand corner, drivers door and B pillar.

Both vehicles towed from the scene. U1 towed due to traffic hazard. U2 towed at owners request.

Police actions:

U1 driver arrested for drink driving UIL and transported to MBH for bloods. Proceedings to be commenced for failing to fulfil duties at a traffic crash.
